OEKO-TEX® Zertifizierungsstelle GmbH

Kaiserstraße 39 · 60329 Frankfurt am Main

The company

Junkers & Müllers GmbH

Bolksbuscher Straße 27

41239 Mönchengladbach, GERMANY

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report D11-1019**

Tested for harmful substances
according to Oeko-Tex® Standard 100
D07-0710 Hohenstein

for the following articles:

Fabrics for indoor blinds and sun protection made of polyester, Trevira CS, polyester in blends with cotton, viscose and linen, in different designs, coloured, printed and coated, partly with flame retardant and fungizid finished, as well as textile fabrics for digital printing made of polyester and cotton in the colour white and white/black, partly produced by using Oeko-Tex® Standard 100 certified materials.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 31.12.2012
